Expected Release of Funding Announcement	o/a December 1, 2022
Expected Award Date	o/a April 1, 2023
Where are we now?	We did a Request for Information to seek input and feedback from the global, regional and local experts. This recommendations/feedback are incorporated as appropriate. We will also share more detailed info with other donors to ensure no duplication of efforts but alignment in interventions to support greater coverage. Industry day in Addis Ababa, Jigjiga and Hawassa planned in the coming weeks to share the details of the activity and get clarifications to local stakeholders.
Partnership with RHB/ASK	Codesign participation in March and collaboration in its implementation
